MATLOCK

DATA SHEET

Red Plastic Storage Bin

These plastic storage bins are incredibly versatile. Manufactured from high strength polypropylene which is corrosion resistant and robust, they possess an interlocking design that allows for the bins to be hung on any standard louvre panel as well as being able to stand freely to suit individual preference. A simple and elegant way to maximise your storage space.

Features and Benefits

- Manufactured from a high strength and durable polypropylene
- Has an interlocking design that allows for it to be hung on a standard louvre panel
