Brand : Matlock

MTL2A HD PLASTIC STORAGE BIN YELLOW

Product Information :

Designed for modular, free standing and stackable storage, these versatile storage bins can be adapted to meet your individual needs. Manufactured from a robust, hard wearing plastic and available in a variety of colours and sizes, they boast a slat attachment to be screwed to walls as well as a moulded label slot.

Features and Benefits
- Constructed of hard wearing, crack and corrosion resistant plastic making it a durable product
- Can be stacked to maximise storage and save space when not in use
- Has the ability to be attached to the wall with screws
- Possesses specific clasps that make it possible to create a wall of module boxes
- Features a moulded label holder on the front to allow you to better organise your storage containers
- Available in four vibrant colours and a host of specifications to suit your needs

Typical Applications
- Can be used as free standing storage, stacking storage or can be attached to the wall as static storage

EAN Code - 5036140251892
