DATA SHEET

Product Code: MTL4051760K
Brand : Matlock

5-Shelf Rack

Product Information :

This racking system has uprights and beams made of heavy gauge steel with a corrosion resistant powder coating and rubber feet to protect the floor. It is easy to assemble, due to the interlocking design that uses no nuts and bolts. The 5 shelves are easily adjustable and can take up to 100kg UDL (uniformly distributed load) with the rack being fixed to a wall. Supplied with wooden shelves, additional shelves are available to purchase separately, see code 405-867.

Features and Benefits
- Uprights and beams are manufactured from heavy gauge steel for maximum durability
- Corrosion resistant powder coating bolsters product longevity
- Rubber feet protects your flooring from scuff marks
- Shelves are adjustable to suit your storage needs
- Easy to assemble due to the interlocking design
- Each shelf has a capacity of 100kg UDL for ample storage

Typical Applications
- Warehousing
- Industrial
- Institutional

EAN Code - 5036140223363
