DATA SHEET

Product Code: MTL9395840K
Brand : Matlock

MFP04 4-Tread Aluminium Folding Platform Steps

Product Information :

These handy folding steps are lightweight and strong. Easy to store and transport, they're convenient to have around when reaching for products at a height.

Features and Benefits
- Durable aluminium construction
- Non-slip treads and platform for enhanced safety
- Rubber feet for slip-resistance on floors
- Lightweight and slim for easy transport and storage
- Ample 260mm tread depth for comfort in use
- Handrail placement at 600mm from the platform for safety at a height
- High tensile strapping ensures ladder stability under pressure
- Available in 3-tread and 4-tread options

Standards
- EN 131 Professional - Intended for use in a workplace

EAN Code - 5036140248168
