DATA SHEET

Product Code: MTL9508240K
Brand : Matlock

Stainless Steel Disc Key Padlock - 70mm

Product Information :

With a stainless steel body and hardened steel shackle, these disc padlocks are designed to provide medium to maximum security for indoor and outdoor use. Ideal for securing gates, tool chests, and other storage, the disc shape and concealed shackle reduce the risk of shackle cutting or sawing.

Features and Benefits
- Hardened steel body with quality plating for a durable and reliable product
- Laser welded lock body for tamper-proofing
- Precision 4 pin brass cylinder for medium security protection
- Available in keyed differently and keyed alike versions

EAN Code - 5036140244047
