DATA SHEET

Product Code: MTL9508336K
Brand : Matlock

Steel Lockout Hasp - 38mm

Product Information :

Manufactured from high tensile steel, this lockout hasp uses the standard scissor design to isolate equipment for repairs and adjustments.

Features and Benefits
- Electro-plated to protect against rusting
- Vinyl coated fixing ensures good grip and visibility
- Ensures equipment remains inoperative until authorised persons remove padlocks

EAN Code - 5036140230088
