MATLOCK

DATA SHEET

Heavy-Duty 'P' Handle Sack Truck, 200Kg

Possessing a 'P' style handle to make easy work of handling heavy objects, this sack truck is ideal for transporting bulky goods. The handle design keeps the truck horizontal when laid flat to better store the product when not in use and protect goods, whilst the all tubular steel construction makes for a durable product. Finished in a blue epoxy paint coating and complete with large 250mm pneumatic wheels for stable transport over uneven or stepped surfaces.

Features and Benefits

- Large pneumatic wheels provide optimum manoeuvrability
- 'P' style handle allows for easy handling of heavy objects
- Capacity: 200kg
- Weight: 8.8Kg

Typical Applications

- Warehousing
- Delivery
- Logistics

Note.
Wheels do not come attached to the product, some self assembly is required.
