DATA SHEET

600x900 Cork Notice Board

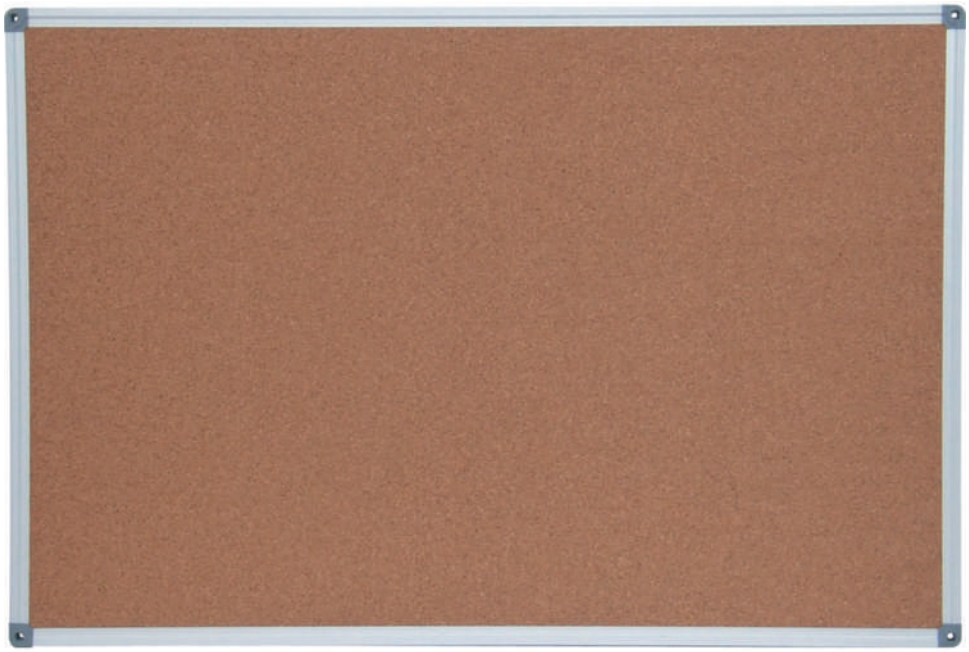

Ideal for use in any work environment or at home, it can be used as an information board or memo board or for pinning up your children's drawings.

Features and Benefits

- Rebounding cork means the boards will last for years on end
- Sold with an elegant wooden frame, or a contemporary aluminum frame

Technical Specifications

- Frame material: Aluminium
- Dimensions (HxW): 600mm x 900mm

Note.

When pins are removed from a cork board the holes contract so the boards will last for years. Supplied with concealed wall fixings.
