## ASSEMBLY

1. Take the lamp out and lay it on a smooth surface.
2. Remove the packing parts.
3. Put the base on the table. Insert the stem into the base and then tighten the stop screw to secure the lamp into the base.
4. Instead of a base, this lamp can also be used with the included clamp.
5. Secure the provided clamp onto the edge of the desk/workstation etc. Be sure to tighten securely.
6. Insert the stem of the lamp into the clamp.
7. The tension of the shade and arms can be adjusted by tightening or loosening the friction knobs at the top of the lamp and on the arms. The knobs should be adjusted on a regular basis or after extended use to insure proper tension is maintained in the arms.
8. Plug-into wall outlet.
9. Turn on the switch located on the cord of the lamp.

## PARTS

Replacement parts:

| | |
|---|---|
| Clamp | OXD3981624K |
| LED Module | OXD3981612K |

## MAINTENANCE

Clean with a damp cloth. Do not use any chemical or abrasive cleaners.

LED Module Replacement

If the LED module is damaged, the luminaire should be destroyed

⚠ **WARNING:** To reduce the risk of fire, electric shock, exposure to excessive uv radiation or injury to person.

1. Turn off/unplug lamp and allow to cool before replacing bulb.
2. Bulb gets HOT quickly! Only contact switch/plug when turning on.
3. Do not touch hot lens, guard or enclosure.
4. Do not remain in light if skin feels warm.
5. Do not look directly at lighted bulb.
6. Keep lamp away from materials that may burn.
7. If the external flexible cable or cord of the luminaries is damaged the luminaire should be destroyed.
8. Do not touch the bulb at any time. Use a soft cloth. Oil from skin may damage the bulb.
9. Do not operate the unit with a missing or damaged guard, lamp containment barner or UV filter.
10. Never tilt backwards.

## SPECIFICATIONS

| Model | Volts | Adaptor Input | Watts | Magnification | Diopter | Colour |
|---|---|---|---|---|---|---|
| OXD-316-2640K | DC24V | 100-240V | 5.4W SMD LED | 1.75X | 3D | Black |

## ⚠ IMPORTANT SAFETY INSTRUCTIONS

This portable lamp has a polarized plug (one blade is wider than the other) as a safety feature to reduce the risk of electric shock. This plug will fit in a polarized outlet only one way. If the plug does not fit fully in the outlet, reverse the plug. If it still does not fit, contact a qualified electrician. Never use with an extension cord unless the plug can be fully inserted. Do not alter the plug.

# THE ENVIRONMENT

Always dispose of unwanted tools, accessories and packaging materials in an environmentally friendly manner.

In observance of European Directive on Waste Electrical and Electronic Equipment (WEEE) and its implementation in accordance with national law, electrical goods that have reached the end of their life must be collected separately and returned to an environmentally compatible recycling facility.

Do not dispose of electrical goods with domestic waste materials as inappropriate disposal may cause potential hazards to the environment and human health.

For further information, please contact your local authority or the retailer from whom you purchased the product.
