6in Hook and Loop Cable Ties - 50 Pack - Black - Reusable Cable Straps - Adjustable and Flexible - Cord Organizer Tie/Wraps for Cable Management - Wire Loop Ties

Product ID: B506I-HOOK-LOOP-TIES

Bundle PC cables, organize and secure office/server cable runs, and improve airflow around mission-critical equipment, using this 50-pack of 6in Hook-and-Loop Cable Ties.

The hook and loop fastener straps provide a solution for bundling and/or securing. Protect equipment by reducing cable/connector strain. Bundle cables to improve airflow in high-density cabling environments, such as data centers and server rooms.

The hook-and-loop strips can be used to bundle and bind IT tools. In addition, the cable ties can be used to secure cable raceways to office desks and server room equipment. The reusable tie wraps are easy to apply, adjust, and remove. These ties offer a reusable and modular means of bundling and securing cables, an advancement over traditional zip ties

This product is backed for 2 years, including free lifetime 24/5 multi-lingual technical assistance.
