# CPT6200 0 ... 25 mbar G 1/2 B

## Reference pressure sensor - Model CPT6200

| | |
|---|---|
| Item number: | 14060593 |
| Quantity: | 1 pcs. |
| Order code: | CPT6200-MAG-MGDSZ3Z-ZZ |
| Overview: | CPT6200 0 ... 25 mbar G 1/2 B<br>Reference pressure sensor - Model CPT6200<br>specific, for hand-held pressure indicators model CPH6200 and CPH6300<br>Specifications according to data sheet: CT 11.01<br>Measuring range: 0 ... 25 mbar<br>Accuracy: 0.2% of span<br>Process connection: G1/2B<br>Wetted parts: stainless steel<br>Type of certificate: Acceptance test certificate 3.1 in accordance with DIN EN 10204 |
| Details: | Reference pressure sensor - Model CPT6200<br>specific, for hand-held pressure indicators model CPH6200 and model CPH6300<br>Model: CPT6200<br>Specifications according to data sheet: CT 11.01<br>Case: stainless steel<br>Electrical connection: plug, 7-pin<br>Output signal: specific, for hand-held pressure indicators model CPH6200 and CPH6300<br>Measuring range: 0 ... 25 mbar<br>Accuracy: 0.2% of span<br>Process connection: G 1/2 B<br>Type of certificate: Acceptance test certificate 3.1 in accordance with DIN EN 10204<br>Wetted parts: stainless steel |
