NSG „uClean“ Series

UCLEAN LD-1435 PZ

Noise-insulated cleaning vacuum cleaner of the uClean series with professional equipment. For demanding wet / dry professional cleaning in buildings (industrial, warehouse...), for large area cleaning and machine cleaning. Equipped with PZ accessories , which can be completely stored on the vac. User-friendly due to a large foot switch ON/OFF (gentle start) and parking position for the accessory. The ECO mode is also adjustable by the foot switch, for energy-efficient and quiet operation. Rubber wheels and castors provide extra smooth running and noise reduction. With additional blowing function.

Order no.	017389
