CRESCENT Wiss

Heavy-Duty Blades
Feature Ti-Coated premium-grade steel and are precision-engineered for knife-like cutting edges

Compact 7.5" Design
Allows for easy storage and provides excellent portability

Touch-Point Ergonomics
Optimize hand & finger contact points in handles to maximize fit, control, and user ergonomics

Serrated Bottom Blade
Grips material for better control

Titanium-Coated Blades
Provide corrosion resistance and are 3X harder than steel for durability & tool life

Quick-Release Ergonomic Latch
Provides consistent easy operation and secures the tool in the closed & locked position for safe storage

TPR Comfort-Grip Handles
Are strategically textured using soft-grip TPR to provide best-in-class user comfort and control
