2m USB 2.0 A to Right Angle B Cable - M/M

Product ID: USBAB2MR

The USBAB2MR 2-meter USB printer cable features one USB 'A' male connector and one right-angle USB 'B' male connector, providing a high-quality connection to USB 2.0 peripherals.

The right-angled USB 'B' connector allows you to connect to your hard-to-reach USB 2.0 printers, scanners, external hard drives, etc. and enables installation in narrow spaces.

Constructed of only top quality materials and expertly designed for durability, this angled USB cable is backed by StarTech.com's Lifetime Warranty.

As an alternative, StarTech.com also offers a 2m USB 2.0 A to Left Angle B Cable (USBAB2ML), which provides the same convenience as this right-angled cable, but allows you to connect to your USB device from the opposite direction.
