

FOAM
SERIES

x4

5 Pieces

POWER THROUGH SCREWDRIVER SET FOAMX4

- Chrome vanadium blades for greater strength and material flexibilty
- Percussion cap and full length integral blade for use with a hammer to release stubborn screws
- Ergonomically designed bi-material handle for easy use with higher torque
- The handle is moulded around the blade to give a higher torque capacity
- Tools are held in place using three colour pre-cut EVA foam
