DESK CASES

The OKW desk case range covers many different fields of application. In laboratories or in industry. As a control panel for control functions. Or as intercom equipment.

Choose a case that will fully meet your specific requirements concerning tilt and size of the control panel.

Easy and time-saving mounting of PCBs with moulded support pillars.

The rear section is raised giving space for easy installation of cable grommets and plug connectors.

We perform low-cost machining of the aluminium front panels according to your specific requirements.
