Features:

An elegant and attractive look, the exclusive ZARGES style.
Scratch-resistant surfaces made of high-quality anodised aluminium and an innovative plastic shell mean the case looks as good as new even after years of use.
Durable and offering years of service due to a sturdy design and practical weight.
Elements of thermoplastic elastomer protect sensitive surfaces from scratching.
Easy to operate locks with combination locks and integrated catch-spring retention (anti-opening feature).
Peripheral seal to protect against dust and splashes.
Wide range of uses and a large assortment of practical accessories.
Interior with customised foam inserts available on request.
Attractive lining with practical insert for documents and small items.
