Traffi®

THE HAND PROTECTION **SPECIALISTS**

TG5220

A lightweight cut index C glove compliant to EN388:2016. Features 3 exposed fingertips for improved dexterity, and the PU coating offers excellent grip in dry conditions. Close fit and high tear and abrasion resistance makes this glove a good choice for general handling tasks with a cut risk.

Key Features

- Level C cut protection
- 3 open fingertips for enhanced dexterity and detail tasks
- Durable X-Dura PU coating
- Lightweight and breathable liner

Ideal for

- Automotive
- Construction and utility
- Engineering and manufacturing
- Oil and gas
- Warehousing and logistics
- Waste, recycling and local authority
