Datasheet

Stainless Steel Threaded Straight Reducer, ¼ in R Male, 1/8 G Female

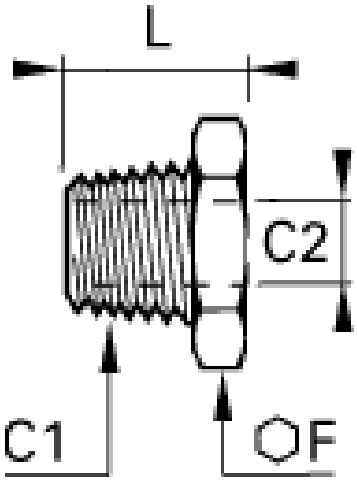
RS Stock number 3108652

Features

- Reducer Male to Female BSPTM – BSPPF
- Stainless steel construction offers excellent chemical resistance
- Maximum working pressure: 150 bar
- Body: Stainless steel 316L

Specifications

Working Temperature:	-20 to 180 °C
Connection 1:	1/4in R Male
Connection 2:	1/8in G Female
Connection Gender 1:	Male
Connection Gender 2:	Female
Fitting Direction:	Straight
Fitting Type:	Reducer
Thread Size 1:	1/4in
Thread Size 2:	1/8in
Thread Standard 1:	R
Thread Standard 2:	G



Measurements

C1:	R1/4
C2:	G1/8
F (mm):	14
L (mm):	16
Weight (kg):	0.008
