IMPACTO® KNEE PROTECTION

Hard Shell Foam Knee Pads

Model **825-00**

- CAP: Removable Co-polymer hard shell cover; hinged action bends with your knee; ribbed surface helps prevent slipping; flat kneeling face offers stability when working on your knees.
- PADDING: Firm foam padding, breathable CoolMax® lining.
- CLOSURE: Double elastic straps attached with hook and loop closure. Straps are double stitched and back stitched for reinforcement.
- Protects from cumulative trauma injuries.
- Lightweight feel, all day comfortable wear.
- Excellent solution for industrial, assembly, manufacturing, warehousing and construction applications.
- Replacement straps available, #825STRAPS.
- Variations:

  840-00 – without hard shell cover

  877-00 – with fire retardant cover

  879-00 – fire retardant, with GEL padding
