Item no.: F44LE45C
EAN no.: 8713574240094

CHARACTERISTICS	
Type	Elbow
Protection Rating	NEMA Type 12
Material	Mild Steel
NEMA Rating	12 Indoor, dust-resistant
Modification Services	Yes
Wireway	Lay-In NEMA Type 12 Wireway
Colour	Gray
Finish	Galvanized
Thickness	1.9
Sealing Plate Type	Flat
Sealing Plate Quantity	1
Type Number	Type 12
IP Rating	IP54
Color Code	ANSI 61

Technical data

Description: Lay-in Hinged-Cover 45-Degree Elbows are used for continuous wireway runs with 45-degree turns. Because sections of lay-in wireway can be mounted with covers oriented in any direction, three different 45-degree elbows are available. Proper selection allows the user to maintain the same access and thereby preserve the lay-in feature for right-angle installations.
