PISTOL GRIP ADAPTOR FOR AEROSOL CANS

- Glass fibre construction gives exceptional strength
- Solvent resistant - plastic will not weaken, warp, or crack
- Light-weight, ergonomic design
- Fits all aerosols in Ambersil range plus most other brands
- 'Open' design allows application of product perpendicular to the direction of pistol (useful for tight spaces)
- Highly visible red colour - less likely to get lost
- Use for paints, cleaners, lubricants, anti-corrosion and more...
