The Tork Industrial Cleaning Cloth is a perfect alternative to rags or rental cloths. Its softness and flexibility allows for cleaning tight spaces and intricate components without scratching the surface, yet it's tough enough to mop up oil, grease and dirt, while usable with most solvents. It fits in the Tork Floor or Wall Stand dispensers, developed for safety, efficiency and reliability.

Key benefits:

- Its strong texture and high absorbency makes it ideal for removing oil, grease, lubricants and dirt
- Meets your cleaning needs due to suitability with most solvents, disinfectants, and detergents
