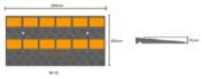
Technical sheet

RR35

Rubber ramp for pavement 35 mm

High-resistance curb ramp that can adjust to +/- 2 cm on the pavement. Suitable for both temporary and permanent installation, it can support up to 50 tonnes. Made from vulcanized rubber and equipped with yellow reflective stripes for better visibility. It features cable passages or a 10mm rainwater drainage channel. It's possible to enhance the installation with corner pieces. It is secured using 2 fixing points and additional adhesive if necessary. Available in various dimensions.



EAN 3321360038265
HS Code 4016999790

Color : Black/Yellow
Made of : Rubber

Specifications :

Length (mm)	Width (mm)	Height (mm)	Net weight (kg)
600	300	35	6,18
