UNIGLOVES® NITREX

Features

- Featuring Sanitized Hygiene and Odour Control Function
- 15 gauge seamless nylon liner with HPPE and encapsulated glass fibre
- PU palm coating
- Excellent abrasion and tear properties
- Ideal for dry environments
- Orange liner

Benefits

- The Sanitized Hygiene and Odour Control Function is integrated within the glove, neutralising odours and reducing microbial growth. This article contains a biocidal product with the active substance zinc pyrithione
- Comfortable seamless liner for enhanced fit and feel giving outstanding dexterity and flexibility combined with EN ISO cut level B (≥5N & <10N)
- PU palm coating gives breathability to the back of the hand
- High abrasion for durability and tear protection for the wearer
- Excellent dry grip giving enhanced dexterity for close work
- The orange liner helps to identify use in areas of medium risk
