Tacana

Hi-vis winter rain jacket

If you want to be optimally visible in the winter and protected from rain and wind, it is best to opt for our Tacana. This winter hi-vis rain parka has a fixed quilted lining, knitted wind guards in the sleeves and a standing collar, with concealed hood that protect you from cold and wind. This rain parka is made of elastic and easy to maintain Flexothane® fabric and is conveniently finished with two pockets on the outside and one on the inside.
