AVB0800

Vertical profile, 800

These mounting profiles provide additional mounting possibilities, which increases the flexibility for fitting accessories and electrical components.

CHARACTERISTICS	
Height	800 mm

Item no.: AVB0800
EAN no.: 8713574086609

Technical data

Description: For the mounting of swing frames in full and partial height. The SFBP is mounted directly to the AVB. Equipped with 25 mm hole pattern. For other mounting purposes CNM cage nuts can be used. Fitted onto the hinge holes located on the front frame of the enclosure. For stainless steel enclosures, machining is required.

Material: 2 mm galvanized steel.

Pack quantity: 1 pair with mounting accessories.

Features

Feature: Mounting profiles can be installed using the interior hinge holes of a wall mounted enclosure.

Advantage: Further mounting possibilities are created to support other enclosure accessories and electrical components.

Benefit: Accessories and electrical components can be mounted exactly where required, creating the best enclosure solution possible, for example if a partial swing frame is needed.

Comment: Stainless steel wall mounted enclosures require machining before the profiles can be mounted.
