Industrial / Spectacles / 5X1

# 5X1 - Welding 5

Code: 5X1.00.00.50

Multifunctional and versatile, the 5X1 was created to guarantee optimal protection in any working condition. On one frame it's possible to assemble a wide range of interchangeable accessories, ensuring every worker can personalise the 5X1 without compromising comfort and protection. The extended wraparound lenses provides extra coverage around the eyes.

### Frame mark (EU)

Mod5X1 U 166 FT U 175-F

### Lens mark (EU)

5 U 1 FT CE

### Frame technology

Interchangeable Lens, Nose pad set-up, Floating Lens, Adjustment of temples in length, Adjustment of temples in inclination, Rubber Terminal, Terminal tilting movement, SoftPad

### Conditions of use

Welding

### Lens technology

Anti-Scratch, Anti-Fog

### Lens color

Green

### Lens material

Polycarbonate

### Frame color

Dark grey/Green

### Standards

EN166, EN169, EN175

### Scale number

Welding (5)

### Mechanical resistance

Low energy impact (F)

### Optional requirements

Protection against high speed particles at extreme temperatures -5°/+55° C (T)

### Optical class

Optical class (1)

### Weight

28g
