Product Ref: TG6040

Ultra Fine Foam Nitrile Palm Coated, Machine Knitted Cut Level E Glove

Key Features:

- The industry's finest gauge cut-resistant glove, delivering an ultra-lightweight, second skin fit for enhanced dexterity and tactile sensitivity.
- Constructed with high-performance engineered fibres, the TG6040 delivers high cut protection for lightweight applications, and does so without using glass or steel reinforcements in core composition.
- Seamless construction with a precision-fit design, offering an ideal balance of protection, comfort and flexibility.
- Palm-dipped nitrile foam coating offers exceptional grip in dry, wet and oily conditions, ensuring secure and consistent grip.
- Additional thumb crotch reinforcement significantly enhances durability in high-wear areas, preventing premature wear and tear.
- OEKO-TEX® Standard 100 certified, guaranteeing that the glove is free from harmful chemicals and hazardous substances.
- Infused with Sanitized® ActiFresh® antimicrobial technology, preventing bacteria build-up, odour and sweat accumulation for long-lasting freshness.
- Enables seamless interaction with touchscreen devices, eliminating the need to remove gloves while using smart devices.
- The green coloured liner aligns with the Traffi colour system, signifying high-level cut resistance (Level E/A5). This aids safety managers in ensuring compliance and contributes to the reduction of workplace hand injuries.

Ideal for:

- Assembly
- Maintenance & Engineering
- Carpentry
- Metal Handling
- Construction

Technical Specifications	
Size Range:	6-12
Lining:	75% UHMWPE, 20% Nylon, 5% Elastane
Coating:	Nitrile Micro Foam
Colour:	Green/Black
Conditions	

Packaging	
Qty/bag:	10 pairs
Qty/carton:	100 pairs
