

FPL C-GREEN

Positioning Laser

Positioning lasers are especially suited for use in manufacturing industry and in trade for marking and positioning.

ART.-NO. 519130
EAN CODE 4045921018778

FEATURES FPL C-GREEN

- Projects a clearly visible laser cross
- Switched power supply
- Multi-functional mount (rotatable and swivelling)

TECHNICAL DATA

Laser diode / class	green / 2
Laser wave length	515 nm
Focussing	10 m fix
Fan angle	110°
Temperature range	-10°C - +40°C
Dust/waterprotection	IP 43
Dimension	48 x 41 x 20 mm
Weight	0,450 kg
