Treston PowerX TED workstation (for power station TPXPS)

Treston PowerX TED is a versatile mobile workstation. When combined with the Power Station TPXPS, user does not need to be near a fixed power outlet to get power for computers, printers, barcode scanners, and other essential equipment. The workstation enhances productivity in various manufacturing and in-house logistics environments. The PowerX Power Station (TPXPS) is ordered separately.

Product code	TPXTED809-41
EAN-code	6410280995264
Width mm	900
Depth mm	800
Height adjustment area mm	760 - 1400
Adjustment method	Motor adjustable

Height adjustment speed mm/second	22
Adjustment control panel	Up/down
Max load kg	200
ESD	No
RAL code	RAL7035
Color name	Light grey
Frame material	Epoxy powder-coated steel
Bench top material	Low pressure laminated chipboard
Warranty years	10
Other	The product combination includes TED809-41 bench, LCS100 castor set, CPU-holder for power station and TCT-49 cable tidy. The product is delivered in several different packages.
