# Traffi®

THE HAND PROTECTION **SPECIALISTS**

# TG5010

A lightweight cut level D glove with a generous cuff length for use in dry conditions. The thin palm dipped X-Dura coating and close fitting design ensures hands can move freely making it an ideal choice for general handling tasks with risk of cut injuries.

## Key Features

- Highly cut resistant
- Breathable seamless liner to eliminate perspiration
- Provides excellent grip and abrasion resistance in dry conditions

## Ideal for

- Automotive
- Construction and utility
- Engineering and manufacturing
- Warehousing and logistics
