Ultra Fine Foam Nitrile Palm Coated, Machine Knitted Cut Level F/A7 Glove

Key Features:

- The industry's finest gauge cut-resistant glove, delivering an ultra-lightweight, second skin fit for enhanced dexterity and tactile sensitivity.
- Constructed with high-performance engineered fibres, providing maximum cut protection for lightweight applications.
- Seamless construction with a precision-fit design, offering an ideal balance of protection, comfort and flexibility.
- Palm-dipped nitrile foam coating offers exceptional grip in dry, wet and oily conditions, ensuring secure and consistent handling.
- Additional thumb crotch reinforcement significantly enhances durability in high-wear areas, preventing premature wear and tear.
- Infused with Sanitized® ActiFresh® antimicrobial technology, preventing bacteria build-up, odour and sweat accumulation for long-lasting freshness.
- Touchscreen compatible, allowing seamless use of smart devices without removing the gloves.
- The green colour liner aligns with the Traffi colour system, signifying high-level cut resistance (Level F / A7). This supports safety compliance and helps reduce workplace hand injuries.

Ideal for:

- Assembly
- Maintenance & Engineering
- Carpentry
- Metal Handling
- Construction

Technical Specifications	
Size Range:	6-12
Lining:	40% HPPE, 15% Nylon, 40% Tungsten Wire, 5% Elastane
Coating:	Nitrile Micro Foam
Colour:	Green/Black
Conditions	

Packaging	
Qty/bag:	10 pairs
Qty/carton:	100 pairs

Certification

EN 388:2016 — 3 X 4 2 F
