LXT® ULTRAFINE

CERTIFIED CARBON NEUTRAL

TG7360

The TG7360 is part of the world's first carbon neutral glove range. This covers raw material, knitting, manufacturing, shipping to the UK and on to the delivery point. This means that this product range has zero negative impact on the environment, to the point of delivery.

The TG7360 is an ultra-fine cut level F safety glove, fantastic for tasks that need high dexterity and precision, and it is also touchscreen compatible. This glove is certified washable at 40°C for 5 wash cycles.
