

VARIO 1/2” adapter

Impact wrench/driver-compatible VARIO adapter turns the impact wrench/driver into a tapper, thereby adding a whole new tool to the range of applications. For all impact wrench/drivers with a 1/2" square head tool mounting. |The FEIN VARIO consumable can be easily changed without the need for tools. Suited to all FEIN VARIO accessories – twist drills, countersinks and tappers. Simple and mechanical drilling, countersinking and tapping up to M30.|As of M18, we would recommend the FEIN VARIO 3/4" adapter with a larger tool for faster work progress. Unlike a drill/driver, the impact wrench/driver provides an easier and more powerful way of tapping.|The adapter can be fitted with ease and secured for permanent use with the aid of a locking spring or circlip.

Product number: 6 42 03 028 01 0

Technical data

TECHNICAL DATA

Accessory interface	1/2 in Outer square ISO 1174-2 E/F 12.5
L	53.2 mm
Material	Full metal
Tool Holder	VARIO Bit Shaft
Drill Ø steel twist drill	12 mm
Tapping	M 30
Weight	0.19 kg

Suitable for the following tools

- ASCD 18-300 W2 AS
- ASCD 18-300 W2 AS Ready to-use-top Set
- ASCD 18-300 W2 AS Ready-to-use Set
- ASCD 18-300 W2 AS Set 5 Ah
