USB 3.0 to 4x HDMI Adapter - External Video & Graphics Card - USB Type-A to Quad HDMI Display Adapter Dongle - 1080p 60Hz - Multi Monitor USB A to HDMI Converter - Windows Only

Product ID: USB32HD4

This USB 3.0 to HDMI adapter lets you extend your desktop by adding four independent HDMI monitors or displays to your laptop or desktop computer using a single USB Type-A port.

This USB-A to 4 HDMI adapter features four video outputs, boosting your productivity by giving you more screen space to work from. With multiple displays you have the freedom to access multiple applications at the same time and reference material on one display while you compose on the other. Use the USB to HDMI multi-monitor adapter to extend or mirror your displays, or create an eye-catching video wall.

Leveraging the USB 3.0 interface, this quad monitor adapter dongle delivers high-definition resolutions up to 1920x1080 (1080p) on all four ports. The adapter also supports 2-channel audio through HDMI.

The USB Type-A to HDMI display adapter converter is equipped with a 3.3 ft. (1 m) attached USB-A cable that provides added distance between the adapter and your host device, ensuring a flexible setup. It also supports an automatic driver installation for ease of use.

The external video adapter is bus-powered, with no external power required.

The Multi-Monitor Assistant application provides a user interface that assists users with multitasking, and allows you to quickly switch from monitor to monitor. It enables additional features, assisting users with dragging and dropping, optional zooming, split scaling and cascading windows to the main display, as well as creating a dynamic video or matrix wall.

USB32HD4 is backed by a StarTech.com 3-year warranty and free lifetime technical support.

Note:

Certifications, Reports and Compatibility

Applications

• Add up to four displays to your workstation

Hardware

Warranty	2 Years
AV Input	USB 3.0
AV Output	HDMI
Chipset ID	Trigger T6-688SL IT66121

Performance

Supported Resolutions	1920x1080 (1080p) / 60Hz
Audio Specifications	HDMI - 2 Channel Audio

Connector(s)

	Connector A	USB Type-A (9 pin) USB 3.0 (5 Gbps)
	Connector B	HDMI
Environmental		
	Operating Temperature	0C to 45C (32F to 113F)
	Storage Temperature	-10C to 75C (14F to 167F)
	Humidity	< 85% non-condensing
Physical Characteristics		
	Color	Space Gray
	Material	Aluminum
	Cable Length	39.4 in [100 cm]
	Product Length	4.0 in [10.1 cm]
	Product Width	3.2 in [80.1 mm]
	Product Height	0.6 in [16.0 mm]
	Weight of Product	6.4 oz [180.0 g]
Packaging Information		
	Package Length	5.7 in [14.4 cm]
	Package Width	8.1 in [20.7 cm]
	Package Height	1.5 in [38.0 mm]
	Shipping (Package) Weight	9.9 oz [280.0 g]
What's in the Box		
	Included in Package	USB-A to HDMI Adapter
