

LEITZ

Leitz Ergo Small Electric Sit Standing Desk with Stand-Up Reminder

Sit - Stand - Move. Whether you're aiming for a healthier lifestyle or want to avoid aches and pains while working, our space-saving sit stand desks will elevate your workspace to new heights. The compact design with a 80 x 60 cm desktop is ideal for flexible use and as a temporary desk where space is limited. Perfect as a small home office desk or for hot desking areas it provides space for a monitor, laptop, keyboard and other accessories e.g. wrist rests and mouse mats. Combined with the clever Leitz Ergo Pegboard Organisers (available for separate purchase) to create vertical storage and keep your desk tidy. This desk has a smooth electric height adjustment feature with a smart stand-up reminder and 4 memory functions allowing you to find the perfect ergonomic position. Easily switch between sitting and standing to promote muscle movement and which has a positive impact on wellbeing. Easy to use control pad with child lock, over heating protection, USB-C & USB-A ports, a screen to display height, anti-collision function and a cable holder. This modern and minimalist sit-stand desk is ideal for your home or office to enhance comfort and maximise productivity. It's our mission to provide solutions that can empower individuals to thrive at work and beyond promoting positive mental health and physical wellness. Combine with many other Leitz Ergo products to customise your flexible and individual sit, stand & move workstation. Stay active and FEEL GOOD with Leitz.

Attributes

- SIZE: 80 x 60 x 2.5cm (WxHxD) desktop provides a 4800 cm2 work surface that is large enough for working with multiple screens and your laptop accessories.
- The sturdy base is 64 cm wide providing plenty of leg space to sit comfortably.
- HEIGHT ADJUSTMENT: Raise and lower the height of your desk from 65cm to 130cm to switch between sitting and standing.
- Easy to use electronic control panel with 5V USB-C & USB A ports for charging smartphones, headphones and smartwatches.
- Store four favourite height presets to change desk height in just one touch.
- QUALITY & SAFEFTY: Sturdy construction and powerful electric motor supports loads up to 80kg meaning you can use a monitor arm to maximise productivity and desk space.
- Smooth and quiet motor (<25db) lets you adjust height without causing distraction in shared work areas or during Teams call!
- Child lock and Anti-collision protection to avoid accidental damage to walls caused by lowering the desk too low or raising the desk too high.
- Desk has been tested and recommended by the German Institute of Health & Ergonomics (IGR) and certified to German TÜV (hazard and damage prevention) and GS (product safety) standards and won the German Design Award in 2025. 2+1 years guarantee - register to get your extra year
- Preassembled and sealed electric motor mechanism with no exposed moving parts for safety. Easy to follow assembly instructions, Allen keys and screws provided to attach the base, desktop and control panel. Included 4 self-adhesive cable management clips.
- ACCESSORIES Includes a cable tray that can be fixed underneath the desk to hold your cables or a power socket extension lead to keep your desk tidy.
- Free up valuable desktop space by adding the Leitz Ergo Pegboard Organiser with Laptop Holder 65490000, or the Leitz Monitor & Laptop Arm 65380089 (both available separately).
