J.211ST

3/8 Extension 250mm

3662424114496

Product Descpription :

Designed for use with tools or ratchets that have a 3/8-inch drive square. Extensions increase the reach of sockets, making it easier to access distant or hard-to-reach areas. Their design ensures efficient torque transmission while maintaining excellent ergonomics. Made from chrome vanadium with a satin finish, they are built to last and withstand demanding conditions.

Product Features and Benefits :

- ISO 3315 - DIN 3122 - ISO 1174-1
- Length: 250mm
- Chrome vanadium steel for improved longevity and robustness
- Satin finish protects against corrosion and wear, which extends the life of the tools
- For manual use

Product Warranty :

FACOM - Lifetime Replacement Guarantee

Product standards and norms :

- ISO 3316
- ISO 691
