SUSTAINABLE sioen

SIO-SAFE™
EXTRA ECO

ECO Coverall with ARC protection

The Couvin is a very comfortable coverall with arc protection made from a light, inherently flame-retardant, breathable and supple fabric with moisture-regulating properties, harmless to the skin. This anti-static coverall protects against heat and metal splashes and is shrink and pilling resistant, even after frequent washing. The double-stitched reflective FR strips ensure that you are visible. The many pockets, six on the outside, one on the inside, are extra just like the knee pockets in which you can slide knee protection for extra comfort!

IEC 61482-2: 2009	EN ISO 11612: 2015	EN ISO 11611 2015	EN 1149-5: 2008	EN 13034: 2005 +A1:2009
