

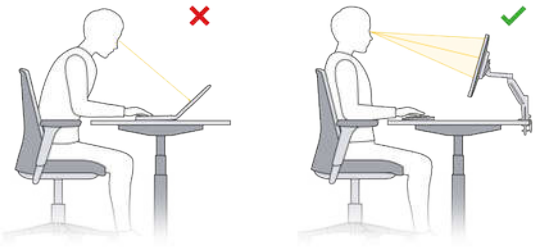
BE Flexible Dual

Bakker Elkhuizen

Simple to set up, adjustable, and backed by a lifetime warranty, this is our best monitor arm yet!

Double the ergonomics, double the efficiency

This dual monitor arm optimises your workplace by providing space for two monitors, allowing you to work ergonomically and efficiently. Equipped with the most advanced innovations, the BE Flexible Dual is not only quick and effortless to install, but also consists of 72% recycled material and is 100% recyclable. Create your ultimate workspace with ease.



Ergonomic background

Multiple studies have found that the use of two or more screens can lead to substantial improvements in performance (University of Utah, 2008; Colvin et al., 2004; Czerwinski et al, 2003).

Placing the screen too low can lead to tension in the upper neck. Placing it too high (the top should not be above eye level) can also lead to problems. Even more important is the adjustability of the depth, ensuring an optimal viewing distance. This allows you to better take in information and puts the least amount of strain on the eyes. This optimal screen position works better, more comfortably and increases productivity by 10% when compared to an incorrect positioning (Sommerich et al,1998).

Available documents

Manual available	Yes
Manual in package	Yes
Manual language	Universal
Technical drawing available	Yes

Product dimensions

Product weight [g]	4750
Product dimension length [mm]	98
Product dimension width [mm]	954
Product dimension height [mm]	485

Height settings

Height adjustment	Yes
Type of height adjustment	Mechanic
Height steplessly adjustable	Yes

Depth settings

Depth adjustment	Yes
Depth of minimum position [mm]	170
Depth of maximum position [mm]	582

Tiltable settings

Tiltable (up or down)	Yes
Tiltable degrees	180

Package

Package weight including product [g]	5760
Package dimension length [mm]	440
Package dimension width [mm]	295
Package dimension height [mm]	131

Product design

Product colour(s)	White, Light Grey
Maximum permitted weight [kg]	10
Cable management included	Yes
Suitable for laptop or screen size (inch)	17-35" (for flat screen), 17-32" (for curved screen)
Package content	Monitor Arm part(s), Clamps, Allen key, Manual
Clamp range maximum [mm]	80

Material product

Product material(s)	Aluminium, Steel, Plastic (ABS), Plastic (TPR), Plastic (PA6)
Product Recycled %	72
Product recyclable %	100
Product biodegradable	No

Package material

Package material (s)	Paper/Carton
Package recycled %	100
Package recyclable %	100
Package biodegradable	Yes
Package biodegradable %	100

Battery & accu information

Battery needed?	No

Monitor arms

Mounting(s) included in the box	Desk clamp, Bolth through
Rotation (landscape or portrait)	Yes
Rotation degrees	360
Pan (left or right)	Yes
Pan degrees	180
Rotation stop?	No
Suitable for amount of screens	2
Expandable for multiple screens	No
Vesa sizes	75x75, 100x100
Static or dynamic	Dynamic
