4121X

UKCA

Features

- Light weight seamless nylon liner
- Foam nitrile coating
- Coated with nitrile dots
- Excellent abrasion protection

Benefits

- Close fitting and comfortable, allows the hand to breath and gives great fit and flex to the glove enhancing wearer comfort and reducing hand fatigue
- The foam nitrile wicks moisture away from the palm of the glove ensuring grip is maintained
- The nitrile dots give superior grip to the wearer in both dry and light oil use
- Offers durability in use and longevity of the product

Sectors

- Aerospace
- Automotive
- Construction
- Manufacturing
- Electronics
- Light Engineering
- Warehousing
- Maintenance
