HEAT PROTECTION

Fusion

Premium tig welding glove

Durable and dexterous heavy duty TIG welding glove made premium goatskin leather. Ideal for welding, grindding, brazing and various thermal applications.

Features

- Premium goatskin leather shell (A grade) provides tactility and durability
- Long-split cowhide cuff offers additional forearm and wrist protection
- Welted seams with para aramid thread increase durability
- 3-Dimensional thumb design enhances dexterity and allow a more precise welding
- 350mm length protects the full forearm
- Excellent thermal protection against flames, sparks and weld spatters
- Contact heat protection up to 100°C / 212°F for a short period (15 sec max)
