Technical sheet

Chapka

Description :

The CHAPKA Surflex® is perfect for working conditions in cold environments. It is compatible with the ABS protective shell standardized EN 812: 2012, thus providing protection to the head. Inside, faux fur completely covers the ears, providing exceptional warmth. It is made from water-repellent material which also offers superior comfort.

ANTI-IMPACT CHAPKA STANDARDIZED IN 812: 2012
