Prism Pro XM

Part of the Downlights product category

Model	Prism Pro XM Trimless Bezel
Code	APRIPXM/TB/1
Application	Residential

MATERIAL INFORMATION

Diameter	160 mm
Height	37 mm

PRODUCT FEATURES

- Steep baffle construction recesses the downlight providing a deep cut-off angle ensuring maximum glare control and visual comfort
- Intelligent 2 part kit design is accessible from underneath the ceiling both during and after installation.
- The main body can be fixed to the ceiling whilst the internal push to release main cone can be attached afterwards. This allows for quicker and easier installation and product maintenance
- Suitable for residential and commercial applications, providing an architectural and modern appearance
- Pre-drilled screw holes ensure a quick and easy installation
