Stacking bin 149x192x105 Black ESD

Our high quality, durable stacking bins have been designed for daily use in stores, production facilities and warehouses. Bins have been designed to fit all standard metric shelves, paternoster and industrial workstations. Bins of the same width stack securely, even if they are of different depths. Straight sides ensure an efficient use of space. The design, with a half-open front, allows excellent visibility and easy access to the bin's contents, making it easy to pick from. The colour options allow a storage system to be designed to meet the customer's requirements. The crystal clear bins are transparent, allowing easy visual identification. Bright colours make finding the right item easy.

Product code	1520-4ESD
EAN-code	6416763035816
Width mm	149
Depth mm	192
Height mm	105

Internal width mm	125
Internal depth mm	130
Package width mm	455
Package depth mm	570
Package height mm	555
Package weight kg	9.5
Quantity per package	45
ESD	Yes
Suitable for cleanroom	Yes
Temperature tolerance C	-20…+70°C
Chemical resistance	Withstands the effects of oils, most acids and solvents
Capacity l	1.5
