A2G-70 air2guide duct sensor relative humidity and temperature

A2G-70 air2guide duct sensor relative humidity and temperature

Item number:	42501085
Quantity:	1 pcs.
Order code:	A2G-70-Z2-1BAT-188-S-ZZZ 2M
Overview:	A2G-70 air2guide duct sensor relative humidity and temperature Transmitter: with 4 ... 20 mA [TRA] Digital display: without 0°C...50°C and 0%...100% rH Insertion length: 188 mm Imprint: air2guide standard Certificates: without
Details:	A2G-70 air2guide duct sensor relative humidity and temperature incl. mounting flange Specifications according to data sheet: TE 62.91 **Genauigkeitsklasse: Humidity: +/- 3 % between 20...80 % rF / Tempearature: +/- 1 % between 5...45°C Transmitter: with 4 ... 20 mA [TRA] Unit: °C and relative humidity [% rH] Scale range: 0°C...50°C and 0%...100% rH Insertion length: 188 mm Imprint: air2guide standard Certificates: without Digital display: without
