Notes

1) The following auxiliary contacts are provided:-

KG10	1 N.O. (early break) + 1 N.C.
KG20 to KG105	2 N.O. (early break)
KG125 to KG315	2 N.O. (early break) + 2 N.C.

2) Switched neutral pole is early make / late break.

3) KG125 suitable for applications requiring larger cable termination and increased enclosure size.
