Cone Mounts - Type VP (Male)

The Type VP Bobbin Mount End Stops are designed to be used on a wide range of applications to prevent shocks and over-loading thanks to their progressive absorption.

They are manufactured from Natural Rubber in a variety of hardnesses to suit the application, and have a zinc plated steel end section with either welded or cold formed threads.

This range comes with a Male thread on one end.

*** Please note - Each mount c/w 1 Nut & Washer.**
