Tested up to 50 washes

Recyclable through approved facility

Fully Recyclable Product

Retail Ready Product

Cat 2 - Intermediate Risk

Garments conforms to EN ISO 20471

ENVIROWEAR

A clothing revolution is changing the way garments are made and how wearers interact with brands. Envirowear has been designed to be recycled – using only mono-fibre design principles, each fabric, trim and accessory is carefully selected to ensure recyclability.

Once garments reach the end of their useful lives, they are returned for recycling. The rPet generated from this unique recycling process can be made into yarn and used in all kinds of polyester clothing and accessories.

- 100% polyester "Bird Eye" fabric.
- 160gsm fabric weight
- Manufactured using 100% GRS Certified polyester yarns
- 3 Button placket.
- Grey trim to collar and cuffs.
- Hex patterned heatseal Retro-Reflective tape for comfort and flexability.
- UV Protective SPF40, "EN 13758-1 - Part 1: Method of test for apparel fabrics."
- Conforms to EN ISO 20471 Class 2 High Visibility
