Polyco® MATRIX

S Grip™

Provides excellent grip at excellent value

S Grip™ is a general handling glove with a seamless knitted polycotton liner and a crinkle latex palm coating. With good abrasion and tear resistance, the crinkle latex palm coating provides excellent grip and ensures safe handling in both wet and dry conditions. The elasticity of natural latex means that it is extremely flexible, which together with the seamless liner and elasticated knit wrist, makes it very comfortable especially in prolonged use. Offering exceptional value for money the S Grip™ is available with either an orange palm coating or a green palm coating.

Typically used for:
- Labouring
- Ground Work
- Scaffolding
- Paving
- Bricklaying
- Automotive Engineering
- Automotive Maintenance & Repair
- Warehouse Work
- Refuse Collection
